

GRAPHIC ARTS

Degree Options:

- Certificate of Completion
- Associate of Applied Science
- Associate of Science/Arts

Program Description:

College of Eastern Utah's Graphic Arts curriculum prepares students for employment in a variety of industries:

- advertising
- commercial printing
- corporate publications
- publishing design
- and many more

CEU's program emphasizes both the artistic and technical aspects of the graphic arts. With further education, one can become a graphic designer, web designer, creative director, or a desktop publisher.

Students seeking an Associate of Applied Science Degree must complete the requirements for the Certificate of Completion and then the second year courses. Please consult with your advisor for a list of approved general education courses.

Students who plan to transfer to a state college or university to complete a bachelor's degree should also complete the requirements for an Associate Degree, using the Art courses as electives.
