

PRE-OCCUPATIONAL THERAPY

Degree Options:

- Associate of Science
-Associate of Arts

Program Description:

Pre-occupational therapy is a set of courses required for professional school admission. Students must work closely with their advisor to ensure correct course registration, desirable elective credit options, and up-to-date pre-professional transfer information & professional school admission requirements.

The following courses include some general education and elective requirements recommended for pre-occupational therapy students interested in the OT program at the University of Utah:
