

PRE-VETERINARY

Degree Options:

- Associate of Science
- Associate of Arts

Program Description:

Pre-veterinary is not a major, but a set of courses required for professional school admission. Any major is appropriate, however, some are more common than others, and students should allow for completion of all pre-vet. requirements. Students must work closely with their advisor to ensure correct course registration, desirable elective credit options, and up-to-date pre-professional transfer information & professional school admission requirements.

The following courses include general education and recommended electives* for pre-veterinary students:
